Smt. Suchi Tyagi, DOP Secretary  
Mr. Rakesh Meena, Rat, Registrar

---

**HON'BLE MR. JUSTICE ASHOK KUMAR JAIN**

**Order**

**16/10/2025**

1. Learned counsel for respondent submitted that he has already filed reply to the petition and he objects about maintainability of writ petition.
2. After considering submission of learned counsel for the parties we have called Secretary, DOP, Government of Rajasthan, Ms. Suchi Tyagi (IAS) and Mr. Rakesh Meena, Registrar, Rajasthan Civil Services Appellate Tribunal (hereinafter referred as

“Tribunal”). The grievance of lawyers who are representing several petitioners is that the State Government has constituted a statutory authority ‘The Rajasthan Civil Services Appellate Tribunal’ under the Rajasthan Civil Services (Service Matters Appellate Tribunals) Act, 1976 for adjudicating service related dispute of State Government employees. They further submitted that as per procedure at least two members are required to constitute a Bench so as to hear and decide each matter but due to one or another reason either the Bench is not available or if same is available then sitting is canceled at last minute. The counsels further submitted that there is no video conferencing (V.C.) facility despite orders of Hon’ble Supreme Court to provide video conferencing facility to everyone. They also referred the chaos in taking-up the matters by the Tribunal and submitted that the urgency as mentioned by lawyers are not addressed properly by any of the authority of the Tribunal.

3. Having considered the grievance raised by the counsels appearing before this Court in different writ petitions, the Secretary DOP has assured that as an administrative department of the Tribunal she will ensure that:-

- (i) A Video Conferencing facility may be made functional for every Bench from 27.10.2025 providing facility of conducting and attending cases to the lawyers and also to the litigants.
- (ii) At least one Bench will be functional on every working day at Jaipur from 10 AM to 4 PM (or the time as fixed under the rules) so as to address at least urgent and mentioning matters.

(iii) A display Board will be installed outside Court room and building along with live digital display system available on the website of the Tribunal so that a lawyer may track his case from remote place.

(iv) In case of emergency, if all Benches are collapsed due to reason beyond control of the Registrar then if any Circuit Bench functioning at any place including Jodhpur will hear and decide the case through VC and in such circumstances the record will be transmitted by scanning the record from Jaipur.

4. The Secretary DOP is not required to remain present on next date of hearing, but she will continue to monitor functioning of the Tribunal on issues, as referred hereinabove.

5. A compliance report be filed by the Registrar of the Tribunal to this Court within one week after 27.10.2025.

6. List on 29.10.2025.
