Order

28/01/2026

1. Heard learned counsel for the petitioner, learned AGA and interacted with Mr. Shaitan Singh Choudhary, Sub-Inspector, Police Station Shastrinagar, who is conducting the investigation in the matter and also gone through the case diary.
2. It is indeed an unpleasant and sorrowful incident in which a young brilliant boy ended his life by committing suicide in the hostel complex of the medical college. After completion of MBBS degree, he was pursuing PG course there. Some circumstances are reported by the complainant casting serious doubts in the manner of death of the boy. There are allegations of instigation

and of creating such an atmosphere in which he had gone into a state where he was left with no other way but to end his life.

3. The matter had been investigated by the police once and whereafter an opinion was formed that the allegations of abetment were not proved and it was a simple case of suicide under despersion. However, the said report was not submitted before the Judicial Magistrate, but was placed for approval before the superior police officials. The DCP, Jodhpur (West) vide letter No.22110 dated 28.12.2025 referred the matter back to the investigating officer after making four points of determination, which read as under :-

1. एफएसएल रिपोर्ट प्राप्त कर मृत्यु का कारण स्पष्ट करें।
2. कॉलेज में मृतक द्वारा प्रिंसिपल या अन्य किसी अधिकारी को कभी लिखित में शिकायत दी हो तो पत्रावली देखें।
3. उसके कोर्स का शैक्षणिक रिकॉर्ड देखें और ज्ञात करें कि उसकी थ्योरी और प्रैक्टिकल में कितने अंक आये थे और किसी प्रकार का उत्पीड़न तो नहीं हुआ।
4. जयपुर क्यों भेजा, एम्स क्यों नहीं। इसका कारण स्पष्ट करें।

As on date, further investigation is underway, particularly on the aforementioned four points suggested by the DCP, Jodhpur (West).

4. The principal grievance of the petitioner is that since much time has elapsed and there are chances of distortion, vanishing and polluting evidence and there may be an occasion of retrieving some of the documents and therefore, it would be more apt if the investigation is directed to be undertaken by a superior official or be carried out under his monitoring and vigilance.

5. In view of the foregoing discussion, and upon due consideration of the rival submissions advanced by the learned counsel for the parties, coupled with a careful perusal of the case diary, this Court is of the considered and deliberate opinion that, in order to uphold the institutional sanctity of the investigating agency and to obviate any apprehension of arbitrariness or bias, Shri Shaitan Singh Choudhary, the incumbent Investigating Officer, shall continue to conduct the investigation in the matter. However, to further fortify the fairness, transparency, and impartiality of the investigative process, the said investigation shall remain under the close, continuous, and effective supervisory control of the Assistant Commissioner of Police of the concerned area, who shall maintain constant vigil over the case diary as well as the overall progress of the investigation, and shall be empowered to issue such appropriate, lawful, and necessary directions to the Investigating Officer from time to time as may be warranted, so as to ensure scrupulous adherence to the mandate of law and to preserve the integrity of the investigation in its true spirit. A further direction is given to the Director, FSL to complete the examination of the visceras at the earliest and the report shall be forwarded to the Commissioner of Police, Jodhpur within a period of 15 days after receipt of a copy of this order.

6. This court expects that the investigation shall be conducted fairly and impartially and without any bias and the result of the same shall be submitted at the earliest and the result thereof shall be submitted before the court concerned within a period of two months from today.

7. The instant writ petition is disposed of with the above directions.

8. All pending applications are disposed of.

9 b. Nothing would desist the petitioner from approaching this court again if the grievance still persists.
